

### Example 1:

a)

## Welcome to IZcodes,

A place where I share my creative side and information about me, including programming projects, and other interests of mine.

b)

```
<h2>Welcome to <u>IZcodes,</u></h2>  
<p>A place where I share my creative side and <br>  
information about me, including programming <br>  
projects, and other interests of mine.</p>
```

c)

I would like to change the font style and the colour of bolded text to dark green.

d)

```
* {  
  font-family: 'Segoe UI', Tahoma, Geneva, Verdana, sans-serif;  
  color: □black;  
  margin: 5px;  
  border-radius: 10px;  
}
```

```
strong, b {  
  color: □rgb(55, 68, 53);  
}
```

(Same HTML as provided above)

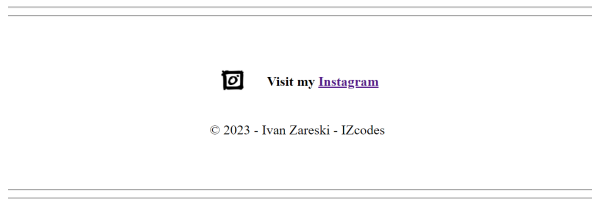

e)

## Welcome to IZcodes,

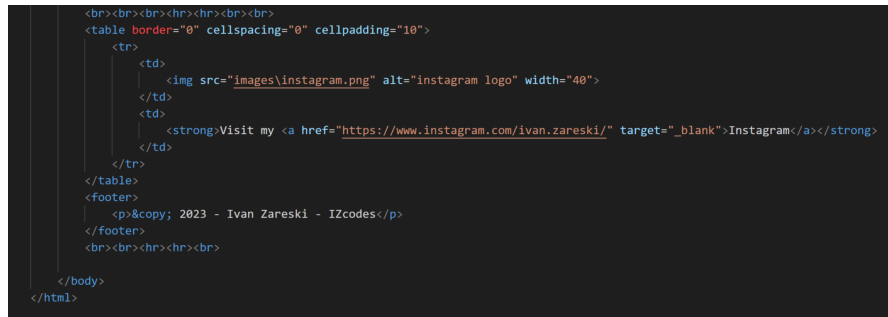

A place where I share my creative side and information about me, including programming projects, and other interests of mine.

## Example 2:

a)

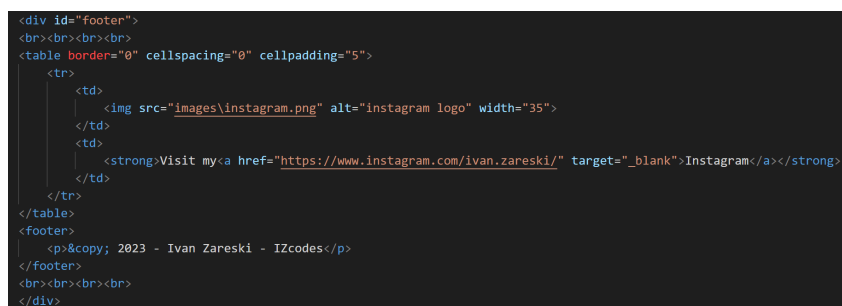

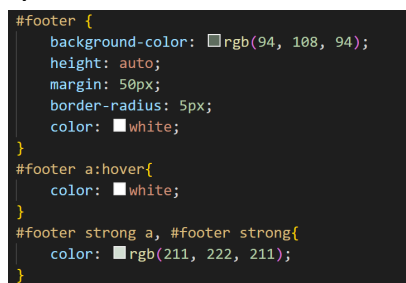

b)

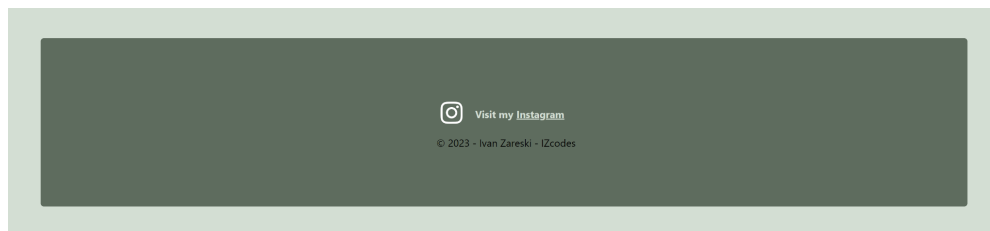

c)

I would like to change the footer to a dark green colour and the text to white, and make the instagram link change colour when hovered with the mouse.

d)

e)

### Example 3:

a)

A Little About Me	I am a <b>Computer Science</b> student at <a href="https://www.dal.ca/">Dalhousie University</a> , in Nova Scotia, Canada. I am currently pursuing my 4 year <b>undergraduate</b> degree, and i'm loving it! I enjoy <b>creating</b> things both digitally and physically, to share with others. Becoming a <b>game developer</b> is a goal of mine, with an interest in <b>AI</b> and <b>robotics</b> development. I have a passion for creating music through <b>drumming</b> . Some of my other interests include photography, cooking, skiing, hiking and traveling.
-------------------	--

b)

```
<table border="5" cellspacing="5" cellpadding="50">
  <tr>
    <th>A Little About Me</th>
    <td>I am a <b>Computer Science</b> student at <strong><a href="https://www.dal.ca/" target="_blank">Dalhousie University</a></strong>
      I am currently pursuing my 4 year <b>undergraduate</b> degree, and i'm loving it! I enjoy<br>
      <b>creating</b> things both digitally and physically, to share with others. Becoming a <b>game<br>
      developer</b> is a goal of mine, with an interest in <b>AI</b> and <b>robotics</b> development. I have<br>
      a passion for creating music through <b>drumming</b>. Some of my other interests include<br>
      photography, cooking, skiing, hiking and traveling.</td>
  </tr>
</table>
```

c)

I would like to change my tables by adding a white background and a dark green box shadow.

d)

```
.t {
  background-color: white;
  box-shadow: 0px 0px 10px rgb(55, 68, 53);
  height: auto;
  width: auto;
  max-width: 900px;
  padding: 20px;
}
```

(Same HTML as provided above)

e)

A Little About Me	I am a <b>Computer Science</b> student at <a href="https://www.dal.ca/">Dalhousie University</a> , in Nova Scotia, Canada. I am currently pursuing my 4 year <b>undergraduate</b> degree, and i'm loving it! I enjoy <b>creating</b> things both digitally and physically, to share with others. Some of my other interests include photography, cooking, skiing, hiking and traveling.
-------------------	--

**Example 4:**

a)

b)

```
<hr><hr>
```

c)

I want to change the horizontal lines on my page to a thicker solid pale green line.

d)

```
hr {  
  border-style: none;  
  border-top: 6px solid #a9c9a9;  
  border-radius: 0px;  
}
```

(Same HTML as provided above)

e)

## Example 5:

a)

**IZCODES** [Home](#) • [About](#) • [Projects](#) • [Contact](#)

b)

```
<table border="0" cellspacing="0" cellpadding="5">
  <tr>
    <td><a href=index.html></a></td>
    <td><a href="index.html"><strong>Home</strong></a></td>
    <td></td>
    <td><a href="about.html"><strong>About</strong></a></td>
    <td></td>
    <td><a href="projects.html"><strong>Projects</strong></a></td>
    <td></td>
    <td><a href="contact.html"><strong>Contact</strong></a></td>
  </tr>
</table>

<br><br><br><br><br>
```

c)

I would like to change my navigation bar by creating a grid with a white background and moving my logo image to the left side and the links to the right side. I would also like the image and links to expand and change colour when hovered with the mouse, and remove the horizontal lines and dots between links.

d)

```
.nav-list {
  background: white;
  box-shadow: 0px 0px 10px rgb(55, 68, 53);
  margin: 0;
  padding: 1rem 0;
  border-radius: 5px;
  display: flex;
  justify-content: flex-end;
  align-items: center;
  max-height: 100%;
  height: auto;
  width: auto;
  max-width: 1150px;
}

.nav-item {
  list-style: none;
  margin-right: 2rem;
}

.nav-item a {
  text-decoration: none;
  color: black;
}

.nav-item a:hover {
  color: rgb(187, 204, 187);
  transform: scale(1.1);
  font-size: 13pt;
}

.nav-item:first-child {
  margin-right: auto;
  margin-left: 2rem;
}
```

```
<navbar>
  <ul class="nav-list">
    <li class="nav-item">
      <a href=index.html></a>
    </li>
    <li class="nav-item">
      <a href="about.html">About</a>
    </li>
    <li class="nav-item">
      <a href="projects.html">Projects</a>
    </li>
    <li class="nav-item">
      <a href="contact.html">Contact</a>
    </li>
  </ul>
</navbar>
```

e)
